Information about Student Applications

Team's Application

Student teams must apply via the Typeform link https://scefreiraum.typeform.com/to/eml4jAof by **18.10.2023. Only one representative of the team should fill in the following form.**

Who can apply?

- **Students who have or don't have SFF in their Curriculum;**

- **Students who have a team, consisting of at least 2 people.**

- **Students from our HEIs alliance;**

- **Students from our HEI partner universities** (They should apply under your HEI name, using the same application link).

SFF
Important DOs & DON'Ts for All Students

Student Teams MUST:

- **Sign into the SFF Community** group by latest 18.10.2023;
- **Attend all sessions** (At least 1 team member);
- **Upload a description of their project idea in the Community Group** by latest 25.10.2023;
- **Search session zoom links in the platform by themselves,** which is available under the tab "Events".
- **Know that platform is the main communication tool** in SFF.

Students are NOT ALLOWED to:

- **Apply via any other option apart from our typeform APPLICATION LINK;**
- **Miss the sessions** (at least 1 team member should be always present);
- **Shift or change their session preference** after their application;
- **Change their preferred EIT KIC / vertical** after their application;

SFF

Dear Professors and Educators, thank you very much for your time and input in our SFF Phase 1 - LEARN Programme. Below you'll find the summary of important points that we would like to kindly ask you to communicate with students.

Upon communicating the LEARN opportunity to students we would appreciate if you can underline the following steps:

Step 1: ONE representative of the team should fill out the following form: https://scefreiraum.typeform.com/to/eml4jAof by **18.10.2023**
Step 2: Teams should take part in the kick-off session taking place via Zoom on **23.10.2023.** Depending on slot selected (midday or afternoon), they should enter via Zoom link provided within the community group in the SFF platform.
Step 3: Teams must sign into the SFF Community group LEARN by latest **18.10.2023**. The will platform assignment link from SFF team and have to fill in the basic information in order to become a LEARN community group members and start using our platform.
Step 4: Teams should provide a description of their project (post their project) by latest **25.10.2023 in the SFF Phase 1 - LEARN (Winter 2023)** community group under the 'Projects' tab

Summary of Important notes:
➔ **At least 1 team member should always be present in all the sessions.**
➔ **Attending all sessions is important (entire 7,5 hours of exchange).** Teams who miss one of these important sessions **will be released from the program.**
➔ There are two time slots for each session; **Midday** (from 12:00 CET) and **Afternoon** (from 16:00). **Students are free to choose only one from these session periods** (Midday or Afternoon) and always appear only in that session. **Shifting or changing session preference is not possible after the application.**
➔ **Teams will have access to all sessions via platform but we always recommend that they mark the slots in their calendars.**
